

# AMERICAN SIGN LANGUAGE, ASSOCIATE IN ARTS

The Associate in Arts in American Sign Language (ASL) program is designed for students who wish to acquire verbal and written language proficiency, develop an awareness of Deaf culture, and pursue a career or further degrees in ASL, Deaf Studies, interpreting, linguistics, education, audiology, and other related fields. ASL is taught using the communicative approach, emphasizing conversational practice, work with authentic texts, linguistic competence, and cultural awareness

## Learning Outcomes

Upon successful completion of the program, students will be able to:

- Engage in conversation and interactions with users of ASL employing the necessary rules of pronunciation, grammar, and syntax.
- Understand and interpret ASL and respond to it at all levels of proficiency.
- Understand and interpret texts (video) in ASL at various levels of proficiency.
- Convey information, concepts, and ideas in text (video) of the target language to an audience on a variety of topics.
- Exhibit a comprehensive understanding of Deaf culture and its social and cultural influences.
