

# ANTHROPOLOGY, ASSOCIATE IN ARTS FOR TRANSFER

The Associate in Arts in Anthropology for Transfer degree (AA-T in Anthropology) program addresses issues in the areas of human nature, social traditions and institutions, and our human heritage. The courses offered introduce students to the fields of archaeology, biological anthropology, and cultural anthropology. These courses may be taken to satisfy General Education requirements or to meet the requirements for an Associate in Arts in Anthropology for Transfer (AA-T in Anthropology) degree program which prepares students to transfer into the CSU system to pursue a baccalaureate degree in Anthropology or related major. Students must complete the Associate Degree for Transfer requirements to earn the AA-T degree.

ANTH/GWOS 30	Gender in Global Perspective	
SOCI 1	Introduction to Sociology	
<b>TOTAL MAJOR UNITS</b>		<b>19-22</b>
<b>Additional Requirements</b>		<b>38-41</b>
Complete CSU General Education or IGETC pattern and electives, if needed, for a total of 60 transferable units.		
<b>Total Units</b>		<b>60</b>

Please refer to the graduation requirements section of the Catalog for information about degree and certificate requirements including Reading and Writing, Mathematics, Information Competency, and General Education requirements.

## Learning Outcomes

Upon successful completion of the program, students will be able to:

- Critically examine and comprehend human nature and behavior, social traditions, and institutions.
- Describe biological and cultural factors responsible for human variation.
- Distinguish variations in culture using the relativist perspective.
- Evaluate the various theories, methods, and techniques used to investigate the human past.
