

ART HISTORY, ASSOCIATE IN ARTS FOR TRANSFER

The Associate in Arts in Art History for Transfer degree (AA-T in Art History) program promotes an understanding of art across cultures and geographic boundaries. Students are taught to apply fundamental art and art historical terminology to analyze works, and to develop an appreciation of process, in order to articulate the historical, social, and aesthetic functions of art. Successful completion of the Associate in Arts in Art History for Transfer degree program provides the student a seamless transfer and guaranteed acceptance to a California State University (but does not guarantee acceptance to a particular campus or major) to pursue a baccalaureate degree in Art History or similar area of study. Students must complete the Associate Degree for Transfer requirements to earn the AA-T degree.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Recognize and describe the formal qualities of a work of art.
- Interpret the formal qualities of works of art in relation to specific social and historical circumstances.
- Analyze and communicate the influences affecting artists working within diverse cultural contexts.
