

EMISSION SPECIALIST, CERTIFICATE OF ACHIEVEMENT

This program is designed to prepare students for employment as *Smog Check* technicians. It meets the State of California Level 1 and Level 2 license requirements. Students who complete the program are eligible and prepared to take the *Smog Check Inspector License Exam*.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Correctly perform a State of California smog check inspection observing all applicable laws and regulations.
- Diagnose and repair emission related faults observing all application laws and regulations.
- Identify license requirements and successfully prepare for the Smog Check Inspector License Exam.
- Identify professional work habits and employ them to promote themselves and the quality of their work.
