

MICROSOFT OFFICE SPECIALIST, CERTIFICATE OF ACHIEVEMENT

The Microsoft Office Specialist Certificate of Achievement is designed to recognize the development of foundational office skills required for entry level office employment. Courses included in this certificate prepare students to take the corresponding Microsoft Office Specialist (MOS) certification exams, industry-recognized credentials that demonstrate proficiency in Microsoft Office software applications.

Upon successful completion of the program, students will be able to:

- Apply office skills in a broad range of entry-level office positions.
