

COOPERATIVE WORK EXPERIENCE

COOP Enrollment Limitation

Current employment or internship placement is required to participate in any COOP course. An Online COOP Employer Information Form must be approved and filed with the COOP Office prior to registration.

Cooperative Work Experience (COOP)

COOP 98 - Exploratory Work Experience (0-4 units)

Letter Grade (LG) Only • Total hours: 30-240 unpaid work experience hours

This course is designed to provide career exploration through structured work experience. Students partner with faculty and their workplace supervisor to establish learning objectives that guide the learning experience at the student's worksite. An internship, volunteer position, or employment, consisting of 60 hours unpaid work experience for each unit or 75 hours paid work experience per unit is required.

Advisory: Completion of or concurrent enrollment in ENGL 1A or ENGL 1AE
Enrollment limitation(s): Current employment or internship placement and instructor approval required to participate.

Credit transferable: Transfers to CSU

GE Credit: MPC E2 Career Exploration

COOP 99 - Career-Focused Work Experience (0-4 units)

Letter Grade (LG) Only • Total hours: 30-240 unpaid work experience hours

This course is designed to provide structured work experience related to a student's major. Students partner with faculty and their workplace supervisor to establish learning objectives that guide the learning experience at the student's worksite. An internship, volunteer position, or employment, consisting of 60 hours unpaid work experience for each unit or 75 hours paid work experience per unit is required.

Advisory: Completion of or concurrent enrollment in ENGL 1A or ENGL 1AE
Enrollment limitation(s): Current employment or internship placement and instructor approval required to participate.

Credit transferable: Transfers to CSU
