

DANCE, ASSOCIATE IN ARTS

The Dance Associate in Arts degree program is designed to provide students with a wide variety of dance experience, technique, and theoretical knowledge. The curriculum includes courses in modern, jazz, ballet, ballroom, and ethnic dance along with opportunities to choreograph and perform while growing the student's appreciation of dance.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Demonstrate and apply principles and concepts of dance as they relate to successful skill performance with an increasing level of proficiency.
- Identify the key components of dance and their influence on art and society.
- Work collaboratively and cooperatively in group choreography and dance performances.
- Improve fitness and wellness through participation in selected dance forms.
