

ECONOMICS, ASSOCIATE IN ARTS FOR TRANSFER

Please refer to the program requirements section of the Catalog for information about associate degree requirements and certificate requirements including Information Competency, and General Education requirements.

The Associate in Arts in Economics for Transfer degree (AA-T in Economics) program is designed to fulfill the requirements for transfer model curriculum to CSU campuses. Students will be prepared to transfer into the CSU system to successfully pursue further studies for a baccalaureate degree in economics. The program is structured to provide two paths. For those students who wish to focus on economics and economic analysis exclusively, we offer a series of mathematics courses that will prepare students for upper-division economics analysis courses. For students who wish to focus on economics but with an emphasis in business, we offer a series of courses in preparation for upper-division courses in economics and in business. Students must complete the Associate Degree for Transfer requirements to earn the AA-T degree.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Analyze markets using microeconomic techniques such as efficiency analysis, market structure analysis and rational behavior analysis as well as use macroeconomic data and apply macroeconomic models in order to understand the macro-economy.

Associate in Arts for Transfer Degree Major Requirements

Code	Title	Units
Required Core		
ECON 2	Principles of Economics: Macro	3
ECON 4	Principles of Economics: Micro	3
MATH 18	Calculus and Analytic Geometry for Biology/Soc Sci/Business	4
or MATH 20A	Calculus with Analytic Geometry I	
STAT C1000	Introduction to Statistics	4
or PSYC/SOCI 19	Introduction to Statistics for the Social Sciences	
List A		
Select one course from the following:		4
BUSI 3A	Financial Accounting	
BUSI 3B	Managerial Accounting	
MATH 17	Finite Math	
MATH 20B	Calculus with Analytic Geometry II	
List B		
Select one course from the following:		4
Any List A course not already selected		
MATH 20C	Calculus of Several Variables	
MATH 31	Linear Algebra	
TOTAL MAJOR UNITS		22
Additional Requirements		38
Complete Cal-GETC pattern and electives, if needed, for a total of 60 transferable units.		
Total Units		60
