

BASIC EMS AND FIRE TRAINING, CERTIFICATE OF ACHIEVEMENT

The Basic EMS and Fire Training Certificate of Achievement provides the student with a basic understanding of the emergency medical and fire services careers. Coursework includes emergency medical technician instruction and an introduction to the basic fire academy.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Differentiate between what are and are not the roles and responsibilities of the Emergency Medical Technician.
- Conduct a self-assessment determining ability to complete the physical and aptitude for the basic Firefighter I Academy.
- Assess and apply emergency treatment procedures for medical, trauma, and environmental patients in the clinical setting.
- Perform the skills and apply the concepts necessary to pass the National Registry test.

Certificate of Achievement Requirements

	Units	12
	Total Units	12

MPC "Ready to Work" Career Education programs offer students the opportunity to gain knowledge and skills needed for employment and job advancement.

All students should consult with a Counselor to discuss career pathways, for support with career exploration and planning, and to create a personalized education plan to help them meet their academic, career, and personal goals. Visit MPC's Counseling website for more information about Counseling services provided by MPC and to connect with a Counselor.

Additional resources are available through MPC's Career & Transfer Resource Center (CTRC). The CTRC offers career resources, workshops, guidance and referrals. Visit the CTRC for support finding online career information and other resources to explore majors, occupations, and employment information.
