

EMERGENCY MEDICAL TECHNICIAN 1: BASIC TRAINING, CERTIFICATE OF ACHIEVEMENT

The Emergency Medical Technician 1: Basic Training Certificate of Achievement is designed to meet the Department of Transportation, National Registry of EMTs, and State of California requirements for certification as an EMT-Basic (Ambulance) crew member. The Basic Training certificate prepares students to care for patients in the prehospital setting.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Differentiate between what are and are not the roles and responsibilities of the Emergency Medical Technician.
- Assess and apply emergency treatment procedures for medical, trauma, and environmental patients in the clinical setting.
- Perform the skills and apply the concepts necessary to pass the National Registry test.
