

ENGLISH, ASSOCIATE IN ARTS FOR TRANSFER

The Associate in Arts in English for Transfer degree (AA-T in English) program is designed to give students a broad background in the study and practice of the literary arts and expository writing. The combination of the core courses and the wide variety of electives offered within the degree program prepares students to transfer into the CSU system to pursue a baccalaureate degree in English or similar major with university-level work in areas such as literature, creative writing, and composition as well as in a number of other fields including education, human communication, law, liberal arts, media studies, politics, and other paths of study that lead to careers in which clear communication and critical analysis are essential. Students must complete the Associate Degree for Transfer requirements to earn the AA-T degree.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Apply effective rhetorical strategies in relation to audience and purpose in academic and/or creative writing.
- Recognize and differentiate the major literary genres.
- Apply critical reading, thinking, and writing skills to analyze diverse texts within various contexts.

MPC transfer programs are designed to enable students to complete lower-division requirements in preparation for transfer to a baccalaureate-granting institution.

The Student Transfer Achievement Reform Act (Senate Bill 1440, codified in California Education Code sections 66746-66749) guarantees admission to California State University (CSU) system for any community college student who earns an Associate Degree for Transfer (ADT), although not to a particular campus or major. Upon transferring to a CSU campus that accepts the Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T), students will be required to complete no more than 60 upper-division units to earn a bachelor's degree in a same or similar major (unless designated as a "high-unit" major).

The following Associate Degree for Transfer requirements must be completed to earn the AA-T or AS-T degree:

- a. Minimum of 60 CSU-transferable semester units;
- b. Minimum grade point average (GPA) of 2.0 in all CSU-transferable coursework (while a minimum of 2.0 is required for admission, some majors may require a higher GPA);
- c. Completion of a minimum of 18 semester units as detailed in the Major Requirements;
- d. Completion of all courses in the major with a grade of C or better (or a "P" if the course is taken on a "Pass/No Pass" basis);
- e. Certified completion of the California State University General Education-Breadth pattern (CSU GE-Breadth) pattern; OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern.

All students should consult with a Counselor to discuss transfer pathways and specific university admission requirements. Visit MPC's Counseling website for more information about Counseling services provided by MPC and to connect with a Counselor.
