

# HEALTH SERVICE PROFESSIONS, CERTIFICATE OF ACHIEVEMENT

This certificate is designed to inform health career-bound students about a variety of options while completing coursework that is foundational or required for transfer level health credentials and/or stackable CTE program degrees and certificates. Students who complete this certificate will be able to navigate the career preparation pathways of choice. Supports fulfillment of Area B science requirements and introductory coursework for a healthcare discipline Associate in Science degree: Dental Assisting, Human Services, Nursing, Medical Assisting, Nutrition, Kinesiology or Physical Education Aide.

## Learning Outcomes

Upon successful completion of the program, students will be able to:

- Identify two or more health careers that match personal interest and aptitude.
- Formulate a plan for completing a chosen healthcare credential.

## Certificate of Achievement Requirements
