

CULINARY ENTREPRENEURSHIP, CERTIFICATE OF COMPLETION

The Culinary Entrepreneurship Non-Credit Certificate of Completion program is designed for students who seek the skills and knowledge required for an entrepreneurial venture in the culinary field. This program is designed for students who want to add entrepreneurial abilities to their current skill set or open their own business.

Upon successful completion of the program, students will be able to:

- Build an actionable comprehensive business plan to start and operate a hospitality venture.

MPC "Ready to Work" Career Education programs offer students the opportunity to gain knowledge and skills needed for employment and job advancement.

All students should consult with a Counselor to discuss career pathways, for support with career exploration and planning, and to create a personalized education plan to help them meet their academic, career, and personal goals. Visit MPC's Counseling website for more information about Counseling services provided by MPC and to connect with a Counselor.

Additional resources are available through MPC's Career & Transfer Resource Center (CTRC). The CTRC offers career resources, workshops, guidance and referrals. Visit the CTRC for support finding online career information and other resources to explore majors, occupations, and employment information.
