HOSPITALITY MANAGEMENT, ASSOCIATE IN SCIENCE FOR TRANSFER

The Associate in Science in Hospitality Management for Transfer degree program prepares students for transfer to the CSU system for advanced study to pursue a baccalaureate degree. This program is designed to provide students with a foundation of knowledge to help them become successful leaders within the hospitality industry. The program is also a direct link to the Sustainable Hospitality Management bachelor's degree at CSUMB. Students must complete the Associate Degree for Transfer requirements to earn the AS-T degree.

Upon successful completion of the program, students will be able to:

- Accurately assess knowledge, skills, and abilities in relationship to their educational, career, and/or personal goals.
- Apply critical thinking skills to hospitality-related scenarios.
- Apply knowledge of hospitality and sustainable business to the creation and achievement of a successful career in the hospitality field.
