

WINE PROFESSIONAL LEVEL II, CERTIFICATE OF ACHIEVEMENT

The Wine Professional Level II Certificate is designed to prepare students to work and excel in the wine or restaurant industry. The program provides an overview of the wine industry, including production, tasting, food pairing, responsible and professional service, overview of beer and spirits, origins of wine and Monterey County wine knowledge. In addition, the elements of wine sales and service are covered. This certificate provides an in-depth exploration into the flavors of the world, the importance of geographic location, laws, tradition, and the winemaker influences. Students taste wines from around the world and learn the techniques of blind tasting to enhance understanding and prepare for industry-recognized certifications. This is an advanced certificate following our Wine Professional Level I Certificate.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Evaluate wine, beer and spirits through blind taste tests.
- Distinguish different wines based on their varietal, region and climate.
