

LINGUISTICS, CERTIFICATE OF ACHIEVEMENT

Linguistics is the science of language. Students who receive a Certificate of Achievement in Linguistics have demonstrated that they are familiar with and can apply linguistic principles in the analysis of syntax, phonology, morphology, and sociolinguistics.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Apply linguistic principles to the analysis of written and spoken language.
- Examine language related interactions and interconnections across cultures.
- Use the common vocabulary of linguistics.
- Explain the role of language in identity formation and social inclusion.
