MUSIC, CERTIFICATE OF ACHIEVEMENT

The Certificate of Achievement in Music prepares students with musical skills requisite for artistic self-expression in at least one major performance area at a level appropriate to a particular music concentration. Upon completion of this program, students will demonstrate fundamental musical skills including performance, keyboard competency, theory, and musicianship.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Perform a musical composition that demonstrates an intuitive awareness of the symbolic meanings inherent in that work as well as a degree of craft appropriate to the student's level of development.
- Analyze and interpret elements of musical compositions as they reflect and relate to human thought, achievement, and expression and to communicate the results.
- Analyze a musical composition or performance in a manner that demonstrates both an awareness of the craft, skill and discipline employed, and the intuitive values expressed.
- Perform appropriate piano literature at an intermediate level of keyboard competency.
