NUTRITION AND FOOD, CERTIFICATE OF ACHIEVEMENT

The Nutrition and Food Certificate of Achievement provides a study of basic nutrition, food science principles, and nutrition issues with emphasis on the subject of obtaining and maintaining a good state of nutrition. The Nutrition and Food certificate provides relevant training and improved professional marketability for allied health professionals, personal trainers, and other interested individuals from a wide range of careers. It also introduces the student to the multi-faceted field of nutrition and explores different career options in Nutrition with further study.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- · Identify specific nutrition issues and how to work with them.
- Use knowledge of scientific nutrition principles to improve diet and wellness.
- Apply basic scientific principles in the preparation and storage of safe, high-quality food products.
