

ART PHOTOGRAPHY, CERTIFICATE OF ACHIEVEMENT

The Photography program prepares students for the field and/or provides continuing education and personal enrichment opportunities. The program is committed to a broad definition of photography as a lens-based medium open to a variety of expressive means.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Control and manipulate light, depth of field, and motion.
- Create prints from film or digital sources and control print contrast, tonal range, and color.
- Articulate the meaning of photographs and learn how meaning is visually communicated.
- Create a cohesive body of exhibition quality work that collectively explores an idea or concept and be able to explain the significance of subject, form, presentation, and meaning.
- Analyze and interpret human thought, achievement, and expression relevant to such branches of knowledge as philosophy, literature, and/or the fine and performing arts, and to communicate the results.
