

PRE-PHYSICAL THERAPY, ASSOCIATE IN SCIENCE

This program is designed to prepare students to transfer into a four-year program in Physical Therapy. Students are strongly encouraged to review the unique admissions requirements for each transfer institution.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Accurately assess knowledge, skills, and abilities in relationship to their educational, career, and/or personal goals.

Contact an MPC counselor for major preparation at specific institutions.

Please refer to the graduation requirements section of the Catalog for information about degree and certificate requirements including Reading and Writing, Mathematics, Information Competency, and General Education requirements.

MPC "Ready to Work" Career Education programs offer students the opportunity to gain knowledge and skills needed for employment and job advancement.

All students should consult with a Counselor to discuss career pathways, for support with career exploration and planning, and to create a personalized education plan to help them meet their academic, career, and personal goals. Visit MPC's Counseling website for more information about Counseling services provided by MPC and to connect with a Counselor.

Additional resources are available through MPC's Career & Transfer Resource Center (CTRC). The CTRC offers career resources, workshops, guidance and referrals. Visit the CTRC for support finding online career information and other resources to explore majors, occupations, and employment information.
