SCULPTURE, ASSOCIATE IN ARTS

The Sculpture program focuses on both conceptual and technical elements within the arena of 3-Dimensional Arts. The Certificate of Achievement provides hands-on experience with traditional and non-traditional mediums. The core classes provide foundational principles of the fundamentals of sculptural art as well as technical training for emerging fabrication methods.

Learning Outcomes

Upon successful completion of the program, students will be able to:

- Operate studio and workshop equipment and use sculptural materials in a safe and appropriate manner.
- Identify and evaluate sculptural techniques and styles.
- Assess aspects of sculptural form as they relate to individual and cultural expression.
